

The toolkits of **EULTA Uptake** and **ExBESS** are valuable instruments to:

1. set up Long Term and or **Voluntary Agreements** between relevant parties aimed at energy efficiency improvement, CO<sub>2</sub> reduction and or cost reduction;
2. assist industrial (SME) sectors and or individual (SME) companies in implementing **energy management**;
3. make international energy efficiency **benchmarking** accessible to all kinds of industrial sectors.
